WHO WE ARE

One of the largest wholesale mulch producers in the tri-state area, Mazza Mulch processes over one million cubic yards of material a year into landscape products for the New Jersey, New York, and Pennsylvania markets. Located in Tinton Falls, New Jersey, Mazza Mulch Inc. is an affiliate of Mazza Recycling Services, a full-service recycling and disposal company established in 1964. We operate on a 10-acre parcel located within the 55-acre, environmentally-friendly Mazza Recycling complex. Mazza Mulch is family-owned and operated, and only manufactures the highest quality landscape products for our clients.

OUR VALUES

- Licensed & Certified – Mazza Mulch owns and operates a Class B recycling center, fully approved by the New Jersey Department of Environmental Protection.
- Support the Community – Mazza Mulch participates in fundraisers, benefits, township events, and local clean-up initiatives.
- Safety & Compliance – We are fully compliant with state, federal, and OSHA rules and regulations.
- Environmentally-Friendly – We manufacture natural and organic products by recycling all types of wood materials.

OUR MISSION

Mazza Mulch, Inc. is a client centric operation manufacturing high quality landscape product which include mulch, compost and topsoil, through the recycling of natural and organic products.

RECYCLING & SERVICES

Mazza Mulch processes brush, chips, logs, stumps, clean wood, leaves, and pallets to produce organic hardwood mulch, IPEMA Certified Playground Safety Surface, and dyed mulch in Black Velvet, Cherry Brown, and Bright Red. Topsoil, leaf compost, wood compost, and fill dirt are also available.

RECYCLING

Mazza Mulch, Inc. accepts and recycles brush, logs, stumps, wood chips, leaves, clean wood, and pallets into landscape products that are then reintroduced to the earth for the benefit of trees and plants. These products can be picked up or delivered through our hauling division, or tractor trailer service.

SERVICES

Mazza Mulch, Inc. can provide container, trailer, or dry van service. Our services include land clearing, grinding, and screening for customers such as general contractors, municipalities, and land owners. Mazza Mulch also manages mulch and compost facilities for municipalities.

OUR PRODUCTS

BLACK VELVET

Our Black Velvet Dyed Mulch consists of triple-shredded tree parts colored with the highest quality black dye to give the mulch a dark, velvety color.

IPEMA CERTIFIED PLAYGROUND SAFETY SURFACE

The IPEMA Certified Playground Safety Surface is made up of logs ground to a fibrous consistency under 2" in length; this mulch meets IPEMA STM F2075 standard for Engineered Wood Fiber.

CHERRY BROWN

Our Cherry Brown Dyed Mulch consists of triple-shredded tree parts colored with the highest quality brown dye to give the mulch a vibrant cherry color.

Mulching is one of the most important ways to maintain a healthy landscape for your plants. Nature produces large quantities of mulch all the time with fallen leaves, needles, twigs, pieces of bark, spent flower blossoms, fallen fruit, and other organic material. Mulch can reduce water loss from your soil bed and minimize unwanted weeds. Most importantly, mulch provides nutrition for the soil and enhances the appearance of your landscape.

OUR PRODUCTS

BRIGHT RED

Our Bright Red Mulch consists of triple-shredded, clean, multi-dimensional wood colored with the highest quality red dye to give the mulch a brilliant red color.

ORGANIC HARDWOOD

Our Organic Hardwood Mulch is triple-shredded ground tree parts, aged to give a rich dark color.

TOP SOIL

Our top-quality, affordable soil products will allow your lawn and garden to flourish naturally. Screened top soil is available for building, excavation, and landscape projects.
